### 7 Key Areas of Diabetes Care

Diabetes Self-Management Education and Support (DSMES) is structured around seven diabetes self-care behaviors, known as the ADCES7 Self-Care Behaviors®. Diabetes care and education specialists can help you set priorities and work with you on improving your own management in each of the following areas.

9

## Insurance Questions

### ◆◆◆ DSMES Reimbursement and Affordable Care

Increase DSMES program reach and impact by maximizing insurance reimbursement and helping people with diabetes find affordable care.

10

# Member Benefit

## Ask the Reimbursement Expert

Don't see your questions answered above?  
If you're an ADCES member, we invite you to log in and ask our reimbursement expert. She's available to address a wide variety of questions on DSMES/DSMT billing and insurance coverage for our members.

ASK THE REIMBURSEMENT EXPERT

### DSMES Reimbursement Help

- Not a member yet?  
You too can benefit from our free Ask the Reimbursement Expert service by becoming an ADCES member.
